

# HEALEY & LORD

## FLORIDA URINAL BACK INLET

HL1011

The original wall-mounted Healey & Lord Florida premium ceramic urinal bowl with a back water inlet, suitable for concealed pipework.

The Florida urinal has a unique design providing privacy without the need for urinal dividers, increasing space efficiency as a result. Made from high quality antibacterial glazed ceramic in a crisp white finish, the Healey & Lord Florida ceramic urinal bowl is perfectly suited to modern contemporary, art-deco or traditional washroom schemes.

Each Florida urinal is provided with a complete component kit, which includes ceramic waste cover, waste pipe connections and an inlet connector.

**Dimensions:** 485 x 270 x 705 mm (W x D x H)

**Warranty:** 20 Years on Ceramics - against manufacturing defects
