

# HEALEY & LORD

## FLORIDA BLACK URINAL TOP INLET

HL1611

The original wall-mounted Healey & Lord Florida Black premium ceramic urinal bowl with a top inlet, suitable for exposed pipework.

The Florida Black urinal has a unique design providing privacy without the need for urinal dividers, increasing space efficiency as a result. Made from high quality antibacterial glazed ceramic in a reflective glossy black finish, the Healey & Lord Florida Black urinal will make a statement in any washroom scheme.

Each Florida Black urinal is provided with a complete component kit, which includes ceramic waste cover, waste pipe connections and an inlet connector.

**Dimensions:** 485 x 270 x 705 mm (W x D x H)

**Warranty:** 20 Years on Ceramics – against manufacturing defects
