

HEALEY & LORD

MODERN COLLECTION

BASIN BOTTLE TRAP

HL8502

200mm solid brass basin bottle trap, with 1 1/4" connection, and Ø 35mm outlet.

This basin bottle trap has been designed to be used with Healey & Lord Modern Collection wash basins, and is available in matching metal finishes.

Clean lines and uncluttered, the Healey & Lord Modern Collection takes quite a departure from traditional ornate design.
